Maintenance Plans*

All maintenance programs receive the same services, although performed at different intervals.

Maintenance consists of:

- Weeding of all flower planting beds
- Removal of debris from garden beds
- Perennials staked and pruned when necessary
- Pinching and deadheading of bedding plants and containers to promote flowering

Four sessions per month: \$200.00

Two sessions per month: \$125.00

One session per month: \$75.00

Notes:

* Note regarding maintenance: If during a maintenance session it is found your landscape requires extended services, this will be brought to your attention. Extended services are not covered by the maintenance program and are billable on a time and material basis. Such extended services could possibly include: pruning, irrigation of beds and containers, and fertilization of perennials and annuals.
